Ho'o Pono Pono Huna Workshops

Workshop 3

Learn how to understand the power of your holistic self.

You will be guided to an understanding of the *Huna* belief that human behaviour and experience can be explained and changed through the interaction of three (sometimes four) dimensions of our makeup:

1. **The High Self** (Kane, Aumakua) - **Inspires**
2. **The Conscious Self** (Lono) - **Formulates**
3. **The Subconscious Self** (Ku) - **Remembers**
4. **The Core Self** (Kanaloa) - **Wills**

Enlightenment will come with the conscious understanding of the four 'selves' and their purpose. By understanding how to communicate with each element of your inner being, you are better able to direct your life along paths that will bring you true happiness.

Imagination is used by many healing traditions, and you will learn special ways of using it to heal the negative conditions of your life.

"*Aia ke ola i ka po*": "Health and prosperity come from your inner belief system."

Workshop 4

Learn how to communicate and to understand the world we really choose to live in.

The *Kapua* tradition divides all experience of reality into four levels:

1. **Scientific** reality - Everything is objective
2. **Psychic** reality - Everything is subjective
3. **Shamanic** reality - Everything is symbolic
4. **Mystical** reality - Everything is holistic

In this Workshop you will learn how to move freely between these four levels of reality, empowering you with a new awareness of how each level of

reality applies to each circumstance of your life. This broader frame of reference will enable you to resolve issues and avoid the tensions and accumulated stresses that they can create. You will be able to view life through an opened door instead of a keyhole.

One path to an understanding of these four levels of reality is *Ho'o Pono Pono Lomi Lomi* massage. Touch can have a profound effect. You will learn how to touch certain areas on your body to release tension quickly and allow healing to happen naturally.

"*Pa ka 'ili, pa ka iwi*": "Touching the skin, touches the bones."

Our *Huna* Workshops are designed to help with:

- attracting health, wealth and happiness
- stress management
- weight management
- physical healing
- emotional healing
- achieving and maintaining a peaceful state of mind
- skill development
- sense of inner happiness
